(c) the steps taken by the Government to check such incidents in future in the name of contrasting ideologies in the country?

Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)

(a) to (c) There were reports of isolated undesirable incidents during last academic year from Jawaharlal Nehru University (JNU), New Delhi which have been dealt with by the authorities of the university and local administration responsible for Law and Order. JNU reported that a High Level Enquiry Committee (HLEC) was constituted by the University authorities to investigate the event and action was taken against those students who were found guilty for the misconduct and indiscipline. It is pertinent to mention that JNU is an autonomous institution established under the JNU Act, 1966 and is competent to take action along with local authorities in such matters of the institution.
